Annual Banquet Planned by Fish, Game Association

The executive committee of the Didsbury Fish and Game Association has decided to hold the annual banquet in the Lions Hall on Wednesday evening, March 16 and preparations are now being made for the big event.

The ladies' committee comprising Mrs. W.J. McCoy, Mrs. Jack McCoy, Mrs. Ken McCoy, Mrs. E. Roulston, Mrs. E. Grange and Mrs. H. Lynch-Staunton, will look after all details and it is previous undertakings of these ladies are an indication of what is in store for those attending the banquet, everyone can be assured of a real treat.

Entertainment following the banquet will be provided by the school of several fish and game pictures and other scenes.

George Spargo and Thera Kjar will be present on this occasion, as well as a few visitors from neighboring clubs. Guests of the local association will also be the three boys who turned in the most crow and magpie feed during the past year's campaign.

Tickets for the banquet will be on sale this week end at the Drug Store and at D.N. McDonald's office. All members desiring to attend the banquet are requested to pick up their tickets before Friday, March 11. After this date the balance of the tickets will be available to the general public.

Miss Evelyn Klinck Honored at Shower

Mrs. Herman Dageforde, Mrs. Raymond Shantz and Mrs. Otto Folkman were hostesses at a shower held in the Western United Church basement on Tuesday, February 22, in honor of Miss Evelyn Klinck, a March bride-elect.

35 ladies and a number of men were present and the afternoon was spent with the singing of songs followed by two contests by Mrs. Gordon Ford, two comic recitations by Mrs. Ross Youngs, and another contest by Mrs. Jim Hughes.

Mrs. Folkman did a grand job of decorating with yellow and white streamers and white bells, and the gift box was decorated in white and yellow and overflowed with gifts.

Mrs. Chas. Topping, a February bride, helped Evelyn unwrap her parcels, as Evelyn had helped Mrs. Topping the week before at her shower.

In a few well chosen words the bride-to-be thanked all present and a delectable lunch brought the entertainment to a close.

NEW CHEVROLET ON DISPLAY AT EDFOUR MOTORS THURS.

The 1949 Chevrolet will be on display at Edfour Motors Thursday evening, March 3, and we understand it will be shown the next couple of weeks in the garage show room, which is being decorated appropriately for the occasion.

Word of the arrival of the new car reached Didsbury Tuesday and a last-minute announcement has been prepared and inserted in this week's "Pioneer." It appears on an inside page.

Extra 20 Cents Per Bushel To be Paid on Wheat

Trade Minister Howe announced last week end at Ottawa that the initial price of Western wheat delivered to the wheat board since August 1, 1945 has been raised from \$1.55 to \$1.75 a bushel.

He said cheques to cover the extra 20 cents a bushel, representing an overall total of \$24,000,000, will go out at the rate of 40,000 a day starting March 31 and will give first preference to areas which have had poor crops in the last two years.

The decision of the government ending in mid-1950 the Western producers would get at least \$1.75 a bushel for No. 1 Northern wheat, basis Fort William, Port Arthur and Vancouver.

The original price laid down by the Wheat Board was \$1.35. The

FINAL STANDING IN SOUTH CENTRAL INTERMEDIATE H.L.

All league games in the South-Central Alberta Intermediate Hockey League have been completed and play-off games are scheduled to commence in Didsbury this week, the first between Didsbury and Olds to take place at the arena on Thursday night.

During the season 16 games were played by each team and the local squad won 6, lost 8 and tied 1. They scored 42 goals in the sixteen games, and had 76 scored against them.

Final Standing

Team	W	L	T	P	A	P
Olds	16	15	1	0	100	49
Trochu	16	7	8	1	71	63
Highhurst	16	7	8	1	62	61
Didsbury	16	6	9	1	42	76
Carstairs	16	3	12	1	45	71

Bowman, Kimmel Retain Seats On Town Council

R.D. Kimmel and H.M. Bowman were returned to office for a three-year term as a result of the elections for councillors for the Town of Didsbury, held Monday, February 28.

278 voters cast ballots at the civic elections and there were only four spoiled ballots. Following are the final figures released Monday night by Returning Officer P.L. Evans:

Kimmel, R.D.	130
Bowman, H.M.	122
Roberts, H.	118
Thirling, Geo.	96
Payne, W.H.	66

The 1949 council of the Town of Didsbury will comprise Mayor H. Lynch-Staunton and Councillors C. E. Reiber, H.M. Bowman, S.J. Gilson, Jas. Cathiness, Geo. Parsons and R.D. Kimmel.

Erhard Reinhardt Wins Talent Quest

The 24th annual Winter Conference of the Southern Alberta zone of the Waltham League was held in Calgary on February 25 to 27. The local society of Redeemer Lutheran Church was represented by some 17 members. In the talent quest, Redeemer Society had 31 entries. Didsbury society took first place both in society and individual entries. Erhard Reinhardt won first place over all contestants, with Alvina Jans, also of Didsbury, coming a close second. Appropriate awards were made to the Society and the highest individual at the sessions on Sunday afternoon. The conference was closed with a consoling service Sunday evening at Mr. Calgary Lutheran Church, at which Rev. A.L. Hillman of Seattle, Wash., served as guest speaker.

Since this year, 1949, will see 25 years of League work in this District, it was voted to celebrate this milestone with special services during July. Plans were also discussed for the Summer Camp at Sylvan Lake during the first weeks of July. This camp has in past years been an ever growing event in popularity and attendance. A number of local Leaguers have already expressed their intention to attend the Waltham League Summer Camp for 1949.

Extra 20 Cents Per Bushel To be Paid on Wheat

Trade Minister Howe announced last week end at Ottawa that the initial price of Western wheat delivered to the wheat board since August 1, 1945 has been raised from \$1.55 to \$1.75 a bushel.

He said cheques to cover the extra 20 cents a bushel, representing an overall total of \$24,000,000, will go out at the rate of 40,000 a day starting March 31 and will give first preference to areas which have had poor crops in the last two years.

The decision of the government ending in mid-1950 the Western producers would get at least \$1.75 a bushel for No. 1 Northern wheat, basis Fort William, Port Arthur and Vancouver.

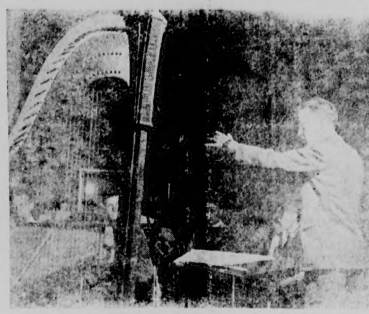

The original price laid down by the Wheat Board was \$1.35. The

first 20-cent raise was announced ten months ago, meaning an extra \$155,000 for the farmers.

The second increase in price was attributed largely to the \$2-a-bushel price obtained for the last two years and that would mean another \$24,000,000 for the producers.

In all, the two increases would give them \$370,000,000 beyond the original price of 1945.

The board already had the certificate to show where the cheques should go and they would be sent out just as fast as the mails could handle them.

Eric Wild and the CBC Winnipeg Orchestra were in rehearsal at CBC's Winnipeg studios when the above picture was taken. The orchestra is heard in the Winnipeg Sunday Concert every two weeks, alternating with the Vancouver Symphony Orchestra, and also in other CBC programs originating in Winnipeg under Mr. Wild's direction.

SPRING IS HERE?

Spring like weather has prevailed since Wednesday, February 24th and with gentle winds from the west, temperatures for the past few days have reached a peak of almost 30 degrees above zero. As a result of the warm weather the snow has been melting rapidly and town roads and many graded country roads are now almost free of snow. Fields, too, are reported to be rapidly clearing off and the first real thaw of the year is taking its toll of the winter snow.

Just now long this fine weather will last no one can predict, but while it does last it is being enjoyed by everyone.

TOP-RATED HIT 'GENTLEMAN'S AGREEMENT' THIS WEEK END

Gregory Peck, Dorothy McGuire and John Garfield are the three top stars who head the cast of Darryl F. Zanuck's eagerly-awaited production of "Gentleman's Agreement," which comes to the Didsbury Opera Theatre this week end.

Regarded as one of the most daring and provocative stories of our time, the picture unfolds the gripping drama of Phil Green, crusading reporter for a national magazine, who is assigned to do a dynamic-packed series of articles, only to find that his mission once on getting the truth-out-of-their-of who gets him—guiltless a crisis in the lives of his immediate family and friends, and almost destroys his romance with the one woman he really loves.

DATES SET FOR ALBERTA MUSKRAT SEASON

Alberta farmers were advised last week by the Hon. K.E. Tanner, minister of lands and mines, that the provincial government had declared a season on muskrats. In all parts of the province outside of registered trap lines, from noon, March 1, 1949, until midnight, May 14, 1949.

A permit allows trapping of muskrats within the limits of land owned or occupied lands adjacent to his own, on which he has obtained written permission to trap muskrats.

THE RED CROSS AND YOU

Human suffering takes many forms. It may strike as illness and pain, as misfortune and natural catastrophe, as bewilderment and hopelessness against overwhelming odds.

To alleviate these sufferings, to prevent disease and to promote the health and welfare of the people of Canada—that is the task of the Canadian Red Cross Society, the task of its workers and its members—ever-renewed, ever-necessary.

As a good neighbor, as a responsible human being, each one of us wants to aid distress wherever we may find it and to prevent, if possible, its occurrence. In the complexities of the modern world, one man's hand is not enough. Only the co-operative effort of a great society, geared to work efficiently, quickly and humanely, can hope to stem the flood of misfortune, of accident and emergencies that can overtake any one of us. Only a great Society, international in scope, can bring hope to millions of our fellowmen in other portions of the war-scarred globe.

Highest of human ideas—concern with the welfare of others—is the motivating force of the Red Cross. To translate this idea into action, Red Cross and its thousands to volunteer workers need the help of every person in Canada. By contributing your share in the 1949 March appeal for \$5,000,000, which opened Monday, you become an active partner in one of the greatest humanitarian forces working for good in the world.

MUSICAL DANCE AT M.V.B. THURSDAY EVENING

A musical social, consisting of a vocal numbers orchestra and a dance band, sponsored by the local department of the Mountain View Bible School, will be held in the School Chapel on Thursday, March 3, at 8 p.m. Provision has been made for an overflow crowd in the basement, served by the system.

This will be the last opportunity to visit the school and hear selected members of this year's band.

Good Crowd at Lions Carnival

There was a good crowd of spectators at the Lions Club Carnival held in the Didsbury Memorial Arena Friday evening, February 25 and due to ideal weather those attending report a very enjoyable evening's entertainment. While over the annual carnival featured a great variety of costumes and those dressing up for the occasion almost doubled the number in costume at last year's event.

Unfortunately a list of prize winners is not available for publication.

A feature of the carnival was an exhibition of fancy skating by four elite team skaters, and the numbers presented were greatly enjoyed by the spectators.

About \$500 was cleared on the evening's entertainment.

and on Sunday.

The district was shocked Sunday morning to hear of the serious accident to little Carol Befus, who was badly injured in a fall at the arena Saturday evening while attending the hockey game. We all wish her a speedy recovery.

Mr. and Mrs. E.W. Lowrie spent Sunday with their daughter, Mrs. A. Campbell Jr., and Mrs. Roy Walton returned to their home with them to visit for a few days.

Mr. and Mrs. A.L. Hogg spent Sunday with Mr. and Mrs. F. Nield at Mound.

Cemona and Elton battled to a 3-2 tie at the Elton rink Sunday afternoon.

Mr. and Mrs. L. Evans were Calgary visitors Tuesday.

The Elton rink's working party held the postponed skating party for the children Saturday afternoon, March 5.

Mr. and Mrs. Bert Smith were Calgary visitors over the week end.

Mr. and Mrs. Alfred Cowitz were overnight visitors in Calgary Monday.

Mr. and Mrs. Arnold Hogg visited with the latter's parents, Mr. and Mrs. A. Wilson west of Cemona, on Monday afternoon.

Mr. and Mrs. W. Papke of Big Prairie, visited with the former's relatives Sunday.

George Smith has rented the Club Lunch to two Chinese, and the new proprietors were to take over the business on March 2nd. Mr. and Mrs. Smith expect to reside for a time on the farm with their daughter, Mrs. Ed Atkinson and Mr. Atkinson.

Westerdale Couple Married 51 Years

Mr. and Mrs. A. Jackson celebrated their fifty-first wedding anniversary on Sunday at a family dinner held at the home of Mr. and Mrs. S. Jackson. All five sons and their families were present, as well as Mr. and Mrs. G. Nelson of Olds and Mr. Wm. White and Ellis of Melfort.

Mrs. J.E. Schrader and Mrs. Wm. Dold were co-hostesses to an enjoyable whist party at the Schrader home on Monday evening when eight tables were in play. High honors went to Mrs. T. Bolton and Kenneth Elder, and consultations to Mrs. Walter Nolte and Mr. C. Roth. Special ladies and gents' prizes were won by Mrs. S. Statham and Mr. W. Wigley.

Mr. and Mrs. B. Jackson and children motored to Calgary Saturday and visited with Mr. and Mrs. B. McCrae.

The Westerdale hockey players returned to Didsbury last Thursday evening where they played the Didsbury aggregation. The locals were defeated by a score of 4-2. Jim Jackson scored both goals for Westerdale.

C. G. I. T. Groups Present Concert

The Canadian Girls in Training, assisted by the Tuxis boys, held a concert in the Lions Hall on Wednesday, February 23 in order to raise money for the finance campaign of the Boys' and Girls' Work Boards. Mr. E.T. Wiggins acted as chairman for the matinee and Mr. V. Novak was chairman during the evening.

The program included O Canada; the C.G.I.T. Purpose; piano duet by Gertrude Ford and Emily Dupont; Tuxis skit, "We're Off"; reading by Wainie Broadhurst, "The Tin Goose"; tap dance by Anita Anderson and Fay Prevost, "Mellendramer" by the Intermediate C.G.I.T.; Alice Blue Gown Drill by the Senior C.G.I.T.; vocal solo, "Sweet Sixteen" by Loreta Reiffenstein; reading, "Candle Room" by Mrs. J. Roulston; Negro skit by Phyllis Fox and Gwen Clarke; play, "The Princess Who Dreamed too Much," by the Intermediate C.G.I.T.; duet, Phyllis Fox and Pat McDonald; play, "The Ghost in the Green Gown," by the Senior C.G.I.T.; Quartet, Kentucky Babe; piano solo by Joyce Bulth; Campfire, with C.G.I.T. in uniform; The concert ended with "Taps" and God Save the King.

Forage Crop Seed Available at Cost

Many farmers throughout the district in the last few years have taken advantage of the forage crop seed distribution policy of the Alberta Department of Agriculture, which makes it possible for farmers to obtain grass and legume seeds at cost. Many farmers have found that portions of their farm such as those containing poorer soil or light knolls have been handled to advantage by seeding down to forage crops. Others, too, have found that sowing a portion of their farms to forage crops has made it possible for them to enter into a rotation of crops eliminating to a large extent the necessity for summerfallow, thus controlling erosion by wind and water, helping to control weeds and returning fertility to the soil by the use of these forage crops.

District agriculturists will handle orders from farmers wishing to take advantage of the plan, and in Didsbury A.W. Esler of the Pool elevator is assisting farmers. Early orders will receive prompt attention, so that supplies may be made available to farmers as early as possible.

BERGEN NEWS NOTES

The monthly meeting of the Ladies' Aid was held at the home of Mrs. P. Dyck on February 23. New officers for the coming year were installed. Mrs. Dyck was assisting farmers. Early orders will receive prompt attention, so that supplies may be made available to farmers as early as possible.

Miss Mildred Olson recently underwent a major operation at the University hospital in Edmonton. It is reported that the operation was a success and Mildred is coming along nicely.

Mrs. Nell Tedford is a patient in the Didsbury hospital.

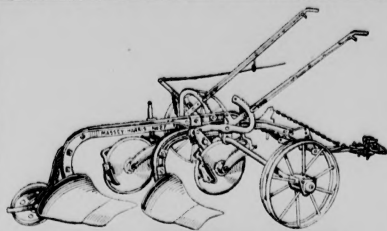

Bunny Hendrix is home again after spending a few days in the Didsbury hospital with a broken ankle.

Mrs. Baughman is helping out at the Meckelborg home. Mrs. Meckelborg and Gladys are both in bed with the flu. We sincerely hope all these sick people will be well again soon.

Norman Cooke is in Edmonton attending the current session of the Alberta legislature.

"TOPS"
IN ITS FIELD
FOR 25 YEARS...

THE
JOHN DEERE
Model "D" Tractor

Yes, the John Deere Model "D" Tractor is celebrating its twenty-fifth birthday... and it's a proud anniversary of service, dependability, and economy.

First put into production late in 1923, it won immediate and widespread popularity as farmers valued its outstanding fuel economy... marveled at its simple, rugged construction. Ever-growing farmer demand has kept the Model "D" in the John Deere line for a quarter of a century. No other tractor

ever has established such an enviable record.

Improved through the years, the Model "D" remains unchanged in its basic principle—two-cylinder design... with greater dependability, economy, and longer life through fewer, more rugged parts.

If you need 34-hp. power, see us about a John Deere Model "D"—the tractor with a 25-year success story as its record.

Bodies Preserved
Over 2,000 Years

MOSCOW—A Leningrad professor said a tomb discovered in Outer Mongolia has yielded evidence that a civilization flourished over 2,000 years ago in that isolated area of central Asia.

The find was made in snow-capped Altai mountains. Because of the extreme cold the tomb has served as a natural refrigerator preserving the mummified bodies of a tattooed man and a girl musician. Prof. S. I. Rudenko said.

Rudenko wrote in the newspaper Evening Moscow the tomb of petrified logs also contained a gilded chariot, leather carpets, diadems of wood covered over with gold, round bronze mirrors, exquisite tables, jewelry and partly-died furs.

CANADIAN RYE PRICE DECLINES

The street price for rye went down to 88 cents a bushel in Alberta in the forefront of this week. Last May the terminal price was \$4.83 a bushel.

While the price of all other grain was controlled during recent years, speculation on the open market was permitted in rye. As a consequence the price gyrated wildly. The 1948 Canadian rye production was unusually heavy (25,000,000 bushels), and apparently the market is restricted.

Canadian Trade Highest
On Record

Canadian commodity trade during 1948 was valued at \$3,747 millions, the highest figure on record. Of this total, exports amounted to \$3,075 millions, and Canadian imports were valued at \$2,657 millions.

Significant features of Canada's foreign trade in 1948, were the increase in exports to the United States, and the \$300 million peak reached in Canadian imports from Britain. Canada's unfavourable balance of trade with the United States was lowered last year to \$283.6 million, from \$918.1 million in 1947.

COSTLY QUESTION

It costs money sometimes, even when asking "How Much?" Napier Moore tells this story in the Financial Post: With the aid of a lawyer, a friend of ours has been settling his father's estate. Recently he telephoned the solicitor and asked if he'd send his account so that the whole business might be cleaned up. The account arrived: the usual itemized bill recording consultations, letters written, telephone calls at a dollar each, etc. A methodical fellow, our friend checked it item by item. Every charge but one appeared reasonable. He blew his top on the final entry. It was a charge of \$1 for the telephone call in which he had asked for the bill.

DOCKAGE LOSSES

During the 1947-48 season it is estimated that the western Canadian farmers shipped 8,082,970 bushels of dockage which had a total weight of 202,074 tons. This amount would fill approximately 6,736 cars. In addition to the cost of shipping this dockage, there was an enormous loss in grain value due to the lower grades and a loss in threshing and hauling weed seeds. To grow one bushel of dockage it is estimated that yields of grain are lowered from two to five bushels.

Huge Alberta Oil Output
Foreseen within 10 Years

Discovery of 5,000,000,000 to 10,000,000,000 barrels of oil in Western Canada was evidenced by Joseph E. Pogue, vice president of the Chase National Bank, New York, in an address to the Investment Dealers' Association of Canada at Toronto recently.

He said the figure is theory based on experience in the United States, but that developments of the last few years have gone far toward supporting the idea that an oil future of the first rank is opening up. The ultimate figure might be more than this estimate.

Present indicated oil reserves in Western Canada are close to 600,000,000 barrels, allowing Leduc field 200,000,000 barrels, and Redwater 300,000,000. Present production is about 40,000 barrels a day.

Mr. Pogue cautioned that there may come a discouraging period between the time that the immediate market is taken care of and the time when new markets are opened up.

"Discovery must go on and fields must be drilled, but production at the same time must be retarded. This stage cannot be avoided; it must be confronted as one of the risks of the business," said Mr. Pogue.

Canadian Purebred
Cattle In World Demand

Fifteen head of Canadian purebred Holstein-Friesian cattle, valued at \$35,000, are to be shipped by air to a ranch in Chile. Sr. Jose Barz, one of the leading breeders of Holstein cattle and merino sheep in Chile, previously imported purebred cattle from Canada in 1940 and 1946.

Another repeat shipment of Canadian dairy cattle is now on its way across the Pacific to Hong Kong. The Canadian cattle shipped to Hong Kong last year created so good an impression on the island that another 50 animals were ordered recently.

In Canada in 1948 the average production of honey per colony of bees was 79 pounds.

CAN OPENER

A can opener has been devised by a Washington firm which uses a magnet to keep the severed lid from falling into the contents when opened. The magnet is on the arm of the opener, and can be set for any size container, it is folded back when not in use.

FEAR OF CANCER

One of the worst features of cancer is the fear that it instils into people. In many cases this fear prevents men and women who suspect they have cancer from consulting a doctor at once. If you have cause for suspicion, see a doctor right away. To delay may be dangerous.

MARVELUBE HELPS YOU
KEEP DOWN TILLAGE COSTS

Here's why...

The old lubricating oil in your tractor engine contains dirt which increases engine drag, promotes wear, and may result in clogged oil filters, thus causing injury to cylinders and bearings.

Refilling with the correct grade of Marvelube for your tractor is good business because—

- 1 Free flowing Marvelube effectively lubricates moving parts for all farm operations.
- 2 Marvelube resists heat—does not break down under continuous operation, but protects against wear under day-in, day-out work.
- 3 Marvelube offers further protection by resisting the formation of carbon and reducing sludge in the crankcase.

Translated into cash benefits for you, the above simply means that frequent servicing with Marvelube lubricants gives your tractor the extra power and smoothness which speeds up all tractor-powered operations on your farm.

Marvelube helps cut down operating costs, aids in avoiding unnecessary replacement of parts, and keeps your tractor on the job longer.

SHOCKING!

POOR FACILITIES

CORRESPONDENCE TEACHING

WORK-OUT SCHOOLS

NO TEACHERS

The condition of Education in many parts of this Province is shocking.

The Provincial Govt. has a responsibility to our boys and girls which is greater than any other duty. Yet they seem to shrug it off.

WRITE TO YOUR M.L.A. at once!

Tell him there must be greater increased grants for Education and that Education is a Provincial job!

ALBERTA EDUCATIONAL COUNCIL

When considering your donation, remember that the Canadian Red Cross needs \$1 Million Dollars—40% more than the previous appeal.

CANADIAN + RED CROSS

Now
a Little Cripple
can run and play

If only you could see the sad faces of those little children! Because some have little twisted feet or legs. Some suffer from internal ills. Some have cleft palates or serious eye ailments. And if only you could see the glow of happiness on those little faces when they come from our Junior Red Cross hospitals perfectly normal again just like other little children.

That is one reason why you will want to give generously to the Canadian Red Cross. Your donation will help to restore sick or crippled youngsters to health and happiness. It will also help to provide Free Blood Transfusions to all who need them; to support Outpatient Hospitals; to send relief in case of disaster; to assist veterans in hospitals.

Your donation will help relieve pain and bring comfort and happiness. Give generously to the Red Cross.

Red Cross services also include: Nutrition Services, First Aid and Home Nursing Courses, Swimming and Water Safety, Women's Work Activities, Sick Room Loan Cupboards, etc.

This is YOUR work — GIVE!

RURAL ELECTRIFICATION

For the past two years or more there has been a general agitation both east and west of Didsbury to have rural electrification established, and while organizations have been formed there does not appear to be any definite advancement towards actual starting of the projects. The hitch in the scheme seems to be that a few farm owners are holding back and have not come forward openly to support the plan and clinch the project with their signatures.

While this is a personal problem for each individual farmer, it is also the interest of everyone who is in favor of the plan, and since it takes a given number of power users to make the installation of the electric power lines an economical venture it would appear that a few are holding up the majority, and this delay can easily mean that the Calgary Power Company will wait just so long and then abandon the Didsbury projects in favor of more pressing installations. Should this happen there is no doubt that many years will elapse before the local projects would again be considered.

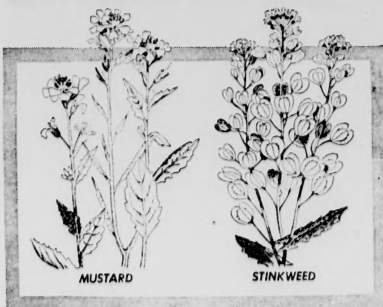

The signatures of about a half dozen farmers on the east project will give farmers in this area a workable plan with moderate payment, but the west project requires a few more. With the installation of both the east and west rural electrification lines at the same time considerable capital outlay can be saved, and it is the urgent request of appointed officials of the two power companies that those who want rural electrification, and those who have hesitated to sign the contracts, to immediately make up their minds and give their decisions without further delay.

Rural electrification is one of the greatest aids to the farm, to the farmer's wife, and to the district as a whole. As an investment it is equal to anything the farmer can enter into. Land values under rural electrification alone will be enhanced sufficiently to more than offset the original cost, and when it comes to the comforts of life, modern light and power facilities cannot be equalled—unless water and sewerage can be considered an equal.

The future of Didsbury and the Didsbury district is closely linked with modern conveniences. Young farmers and their wives are not going to stay on farms unless they can have some of the comforts of life and some of the drudgery taken out of farm work. The same applies to residents of the town. Modern civilization is demanding more from the people as well as for the people and the facts may as well be faced now and the decisions made to improve our lot while the opportunity is presenting itself.

Lenten Services at Lutheran Church

For centuries the Christian Church has set aside the six weeks before Easter as a period of special preparation. Beginning with Ash Wednesday and continuing through Good Friday, it has observed what tradition has called a "closed season."

But why observe Lent? Why a special period of preparation? That all depends on the significance we attach to the great Christian festivals of Good Friday and Easter.

The Christian religion is built upon the rock bottom fact of Christ's atonement. It teaches that on Good Friday, some 1900 years ago, the Son of God gave His life in payment for the sins of all mankind. As a result of this substitution of the innocent for the guilty, the sins of the entire human race have been atoned.

The Bible is very clear on this point. "Christ suffered for our sins," it says, "the just for the unjust." And: "The blood of Jesus Christ, God's son, cleanseth us from all sin."

This tremendous fact of the substitutionary death of Christ, which is the very heart and core of the Christian Gospel, is to be made the subject of special contemplation during the Lenten season. In private devotions, in family readings, and in special church services Christians are to intensify their meditation upon the tremendous price of their redemption.

Redeemer Lutheran Church will also conduct special Mid-week Lenten services during the Lenten season. These services will be held every Wednesday, beginning with Ash Wednesday, March 2, at 8:00 p.m. Resolve to attend these special Lenten services. "Come thou with us and we will do thee good."

The topics for these services are as follows:

Wednesday, March 2—The Man who lost an Ear.

Wednesday, March 9—The Man Who was Known to the High Priest.

Wednesday, March 16—The Woman Who Drowned About Jesus.

Wednesday, March 23—The Man Who Was the Choice of The People.

Wednesday, March 30—The Man Who Bore the Cross for Jesus.

Wednesday, April 6—The Women Who Wept Over Jesus.

Good Friday—April 15—The Man Who Saw Jesus Die.

Easter Sunday—April 17—The Feast of The Resurrection of Our Lord.

WESTERN WEATHER

The prairie provinces of western Canada have experienced an unusually severe winter. Right across the thousand-mile strip from the Canadian Rockies to eastern boundary of Manitoba a long spell of sub-zero weather has been experienced. There have been heavy snow falls in Manitoba and Saskatchewan, but the snowfall in Alberta has been considerably lighter. The Canadian prairies have not, however, experienced the unusually heavy snowfall which occurred in the U.S. midwest.

THERE'S NOTHING NEW

A recent reveal show us that many of the industrial health hazards faced by present-day workers were also threats to the workers of antiquity. But modern science has provided many safeguards the ancients did not possess. It is a worker's responsibility to see that the equipment and devices supplied for his health and safety are used regularly by him.

FAR NORTH SPORT

A Skay Hills resort, which has seen initial development on its Muskoka, Ont. site, has now resolved itself into a club with some fascinating ideas requiring \$1 million to develop.

It proposes to operate as the nucleus of a network of hunting and fishing outposts stretching as far north as Hudson Bay. The idea is that a member goes to Club Skay Hills at Vernon, six miles west of Hantsville, Ont. He leaves his wife and children at the lodge there, to enjoy its recreational facilities. He then climbs into a seaplane, and within hours finds himself at one of the eight outposts where the surroundings are rugged, but the fishing and hunting better.

At the outset, the member is expected to pay a \$1,000 fee, covering his membership dues for life. It also includes every member of his family.

From then on it's only a matter of paying for his accommodation. Rates for this have yet to be decided, as it will depend on the number of members who enlist.

WALTER—SINCLAIR

Knox United Church, Brooks, was the scene of a very pretty double-ring ceremony Saturday evening, February 19, at 7:30 p.m., when Rev. Dixon joined in marriage Anna Margaret, daughter of Mr. D.M. Sinclair of Didsbury, and Kenneth W. Walter, only son of Mr. and Mrs. W.D. Walter of Okotoks.

Given in marriage by her father, the bride was gown in a formal model of white satin, fashioned with sweetheart neckline and long tulle-point sleeves. Her full-length veil fell from a halo headdress, while her only jewellery was a single strand of pearls, gift of the groom. Her bouquet was of red roses.

The matron of honor, Mrs. C.W. Burkhardt, sister of the bride, was gown in blue satin with chapel veil and headress to tone, and her bouquet was of pink carnations.

The groom was attended by Mr. Sandy Brown of Princess. The relatives and guests were ushered by Mrs. Vern Bodger and Mr. Charles Burkhardt.

During the signing of the register, the vocalist, Miss K. Enslin, sang "Because" and was accompanied by the organist, Miss Queenie Barkham of Brooks.

A reception for fifty guests was held in the church parlors and was convoked by Mrs. Robertson and members of the Ladies' Aid Society. Rev. Dixon proposed the toast to the bride, to which the groom responded.

For travelling the bride chose a brown gabardine suit with matching topcoat and accessories to tone. They will honeymoon at Great Falls, Mon., and on their return will take up residence at Princess.

Out-of-town guests included Mr. and Mrs. W.D. Walter and daughters Margaret of Okotoks, and Edna May of Lacombe; Mr. D.M. Sinclair, Mr. and Mrs. L.H. Leppington and daughter, Sharon, of Didsbury; Mr. and Mrs. J.W. English and daughters Bonnie and Janet, Mrs. J.L. Devins and Mr. and Mrs. C.W. Burkhardt, of Calgary.

NOW COMES THE LEADER WITH A 9-YEAR ADVANCE IN ONE!

Welcome the New CHEVROLET

The Styleline De Luxe
4-Door Sedan

The most Beautiful BUY of all

We cordially invite you to see the new Chevrolet—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all!

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pre-tested and pre-proved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it—today!

*First for Quality
at Lowest Cost*

CHEVROLET

is the only car bringing
you all these fine-car
advantages at lowest cost!

MORE BEAUTIFUL FROM EVERY ANGLE!

The new Beauty-Leader Bodies by Fisher (with push-button door openers outside) are true masterpieces... with superb Leader-Line Styling that's lower, wider, racier... with exclusive upholstery and a wide variety of alluring colors... much more beautiful from every angle—inside and outside.

MORE ROOM AT EVERY POINT!

The new Super-Size Interiors featuring extra-wide "Five-Foot Seats," give you plenty of head, leg and elbow room for six full-grown passengers; giant rear deck have "trunk room" capacity.

JUST COUNT THE COMFORTS!

Completely effective heating* and ventilating system supplies even warmth, keeps glass clear; Push-Button Starter for simplest, easiest starting; Hand-Edgewise Shift with Synchro-Mesh Transmission for maximum shifting ease. (*Heater and defroster units optional at extra cost.)

THE NEW RIDE'S A REVELATION!

A vastly improved Unitized Kaze-Action Ride, combined with new shock absorbers and extra low pressure tires, gives stability, smoothness, and road-safety.

THERE'S ONLY ONE WORLD'S CHAMPION ENGINE!
You get the finer results of Chevrolet's sturdy Valve-in-Head Thrift-Master engine in all Chevrolet models... together with all of Chevrolet's money-saving economy... it's the world's champion engine for miles served, owners satisfied, and years tested and proved.

SEE ALL! ENJOY ALL!

New Panoramic Visibility, with wider curved windshield, thinner windshield pillars, and 30" more window area for extra safety.

STOP MORE SWIFTLY AND SAFELY!

The new Certi-Safe Hydraulic Brakes give even faster stops with safety... important for you and your family.

YOU'LL SAVE MORE MONEY, TOO!

Chevrolet brings you these and other important improvements at the lowest prices and with extraordinary economy of operation and upkeep.

Plus New CENTRE-POINT DESIGN!

A remarkable advance exclusive to Chevrolet in its field: Centre-Point Steering—Centre-Point Steering—Lower Centre-Point Gravity and Centre-Point Rear Suspension gives riding and driving results without precedent in low-cost motoring. That means a new kind of ride—ease and a new kind of drive—ease. Only new Centre-Point Design can give you all these finer motoring results; and only the new Chevrolet brings you Centre-Point Design at lowest cost!

CHEVROLET STYLELINE DELUXE 4 DOOR SEDAN

The 1949 Chevrolet is completely restyled, lower, wider and is available in two series—Fleetline and Styleline—with a wide variety of body types. Shown here is the Styleline four-door deluxe sedan. There has been an immense increase in glass area with all windows deepened and widened. The windshield takes full advantage of wider bodies, curving inward at the narrowed pillars to improve side- as well as forward vision. The gain in visibility over 1948 has been as much as 30 per cent on comparable models. The new Chevrolet for 1949 is powered by a rugged six-cylinder, valve-in-head engine.

CURLING TERMS?

There are a lot of odd phrases used in curling and solely in the "roarin' game," but do you know them all? Have a look at the list following and see how many you know.

Most of the terms shown are still in use today in spite of the fact that curling dates well back over 400 years.

Baugh ice—rough or soft ice. Bias—slope on the ice. Boardhead—the large circle around the ice. Break an egg on a stone—touch it very lightly. Broughts—small circle round the tee. Chipping—striking a stone of which only a small part is visible. Core—trunk. Cove—besom or broom twigs.

Draw—to play gently to one spot. Drive—to strike. Drag ice—bad ice. Fill the spot—to block the space between stones. Gogsee—tee. A Guard—a stone that protects another one. Hands up—stop sweeping. Flow—the middle of the rink. In-ringing or twick—getting a good position by rebounding off another stone. Lie shot—stone nearest the tee.

Out shot—to make the stone twist to the left. In turn—to make the

stone twist to the right. Pa lid—a stone that lies on the tee. Pitty-cock—oldest form of curling stone.

Raise—to promote a friendly stone towards the tee. Rebut—to deliver the stone with great force so as to spread the stones on the board head. Red the ice—to clear away opponent's stones. Sole—part of a stone that is in contact with the ice—also the delivery of the stone. Soop—to sweep. Souter—to win without allowing opponents to score at all. Bonspiel—match between several clubs. Spiel—match between members of the same club.

Spend the stone—to waste a shot by playing it wide intentionally. Stag—a fluke. Tozee—a tee. Tramp, crampit, trigger or trigger—a plate fitted with spikes upon which the players stand when delivering the stone. Whitty—tee. Chap and lie—to strike out a stone and lie in or near its place. Peels—equal scores. Angle guard—a partial guard. "Gie them breaks"—drive a stone so that it strikes the inner edge of two stones lying side by side. Design the kows—aim at the skip's broom. Burn or mar—to interfere with a stone while running. Kizzle-Kazle—to deliver a stone with a rocking movement.

COPIES WITHOUT CARBON

A typewriter which makes it possible to type copies of correspondence and multiple copy business forms without carbon paper, called Rob-N-RITE, is a new device offered by a Montreal firm. The attachment is easily fixed to a machine and does not have to be removed for uses where no duplicate copies are required.

DON'T WAIT

When I quit this mortal shore, and money round the earth no more, don't weep, don't sigh, don't sob. I may have struck a better job. Don't go and find a large bouquet for which you'll find it hard to pay; don't mope around and feel all blue; I may be better off than you. Don't tell the folks I was a saint or any old thing that I ain't. If you have jam like that to spread, please hand it out before I'm dead. If you have roses bless my soul, just pin one in my buttonhole while I'm still alive and well today. Don't wait until I've gone away.

— DISTRICT NEWS —

FALLEN TIMBER

We welcome the warm weather which has broken a forty day spell of cold, miserable weather. Dare we hope it will last and that spring is near at hand?

Our sympathies are extended to Mr. J.H. Cooper and family in the death of his father, Robert Cooper, of Lethbridge, at the age of 88. He is survived by his wife, four sons, five daughters, thirty-eight grandchildren and twelve great grandchildren. Funeral services were held in Lethbridge by the Rev. R. Moore.

We hear that little Cecil Money fell through the ice into a spring recently. The other little playmates called their mother and due to her quick thinking and acting a tragedy was averted and Cecil was rescued.

Danny Howton spent three weeks with his grandparents, Mr. and Mrs. C.B. Moore in Calgary.

Mr. Archie McMullen brought a new Studebaker home recently by way of Bergen due to snow-blocked roads.

Mr. Herbert was stuck crosswise on the hill on the north side of Bear Valley. We hear that it took three trucks, a Jeep, two cars and a cat-crane to rescue him from his predicament.

Bob Barclay has moved his mill onto J.H. Cooper's place and has commenced sawing for them.

Glad to see Harry Montgomery in the district again.

MOUNTAIN VIEW

Mr. and Mrs. Gordon Elliott were Sunday supper guests at the home of Mr. and Mrs. F.W. Jensen of Crossfield.

We see Barney Elliott driving a brand new Oldsmobile hydromatic drive, recently purchased from Ed Ford Motors.

A number of ladies from the east were in attendance at the St. A.A. tea held in Didsbury on Saturday. Lyle Shultz was a week end visitor at the home of his parents, Mr. and Mrs. W. Shultz.

The box social held at the Lone Pine Hall, sponsored by the Jutland Beet Calf Club, was quite a success and a fair turn-out was reported.

Mrs. Lawrence Hunter was a visitor Tuesday afternoon at the home of Mrs. Harold Shultz.

Mr. and Mrs. Lawrence Hunter were visitors at the home of Mr. and Mrs. Ray Hayne on Friday evening.

Mr. and Mrs. B.A. Atkinson and daughter Kathleen were Sunday visitors at the home of Mr. and Mrs. J. Worrall.

Mr. and Mrs. W. Bruce left Thursday to visit with their son-in-law and daughter, Mr. and Mrs. E. L. St. Clair at Ponoka, returning home Sunday.

Mr. and Mrs. Rex Dawson were Sunday dinner guests at the home of Mrs. Hilda Dawson of Sunny-slope.

Mr. and Mrs. C.P. Reimer left for Edmonton on Saturday and returned home Monday.

Mr. and Mrs. Bob McCulloch were in Calgary on Monday. Barney Elliott also was a business visitor in Calgary on Monday.

The February meeting of Mountain View W.L. was held at the home of Mrs. R. Hamper. A lively Valentine contest caused much fun and merriment. Mrs. O. Bittner had the topic of "Agriculture" and gave a paper on "The Farmstead." It was decided to send a food parcel overseas for the March objective.

We all welcome home Mrs. Gebers and son Myron after a month's trip to Minnesota.

Mr. and Mrs. Gebers and Mr. and Mrs. Bittner spent Sunday evening with Mr. and Mrs. Alfie Thompson. Mr. and Mrs. Hedegaard and family spent the week end in Sunny-slope.

NOTES FROM EAST

The Lone Pine hall board held its first meeting on February 27 at the Walter McCulloch home to appoint a janitor for the year.

Mr. and Mrs. Schumaker and Mrs. D.B. Wood were visitors in Calgary last Thursday and called on Mrs. Joe Clarke. Mr. and Mrs. Clarke are in the best of health.

Mr. George Long is visiting with Mr. and Mrs. Joe Clarke in Calgary. Mr. and Mrs. Walter McCulloch were last Sunday evening visitors at the Schumaker home.

Quite a number of people from Lone Pine and Mountain View spent a delightful time at the Alfie Thompson home on Sunday evening. Tea, lunch and ice cream were enjoyed by all.

Donald Thompson spent the week end at his home here.

Don't forget, ladies, the Lone Pine W.L. will meet at Mrs. Huggard's home on Wednesday, March 9.

Leslie Schumaker was a Sunday dinner guest with Mr. and Mrs. Ralph Odell.

Stanley Schumaker came home Sunday evening to see his folks.

Mr. Harder, the Jutland school teacher, went home for the week end.

The road must be quite dry from Walter McCulloch's place because

Jessie and Joy Elliott rode their bikes to school. How does it feel to ride your bikes once more, girls?

Must feel like spring.

The warm weather sure has been putting the snow away. The summer-fallow is all black and stubble is showing through. I wonder if old man winter has gone for good or is he just giving us a breather.

CREMONA NOTES

The Cremona W.L. meeting was held on February 17 at the home of Mrs. G. Brown. Owing to bad weather and roads only seven members were present. It was decided to have a literary on St. Patrick's. The surprise package was won by Doreen Sullivan and netted \$1.10 for the flower fund. A delicious lunch was served by the hostess, during which time a very enjoyable half hour was spent.

Miss Jane Wardrop, R.N. of Calgary visited over the week end with Mr. and Mrs. P. Maynes and family, and with Mr. and Mrs. C. H. Waterstreet and family.

Mr. and Mrs. C. Bracken and Miss Alberta Bracken of Calgary visited with relatives and friends in this district over the week end.

Miss Norma Rigby is boarding at the home of Mrs. G. Camps and attending school from there.

Miss Norma Dewhurst of Water Valley is now employed at the Dinkey home.

The Cremona High School Students Union sponsored a three-act play "Hobgoblin House," which was presented in the community hall on Tuesday, February 22. The play was very successful and cleared \$80. The Modern Woodmen sponsored a well-attended dance on Friday last. The Bosch Orchestra provided music.

The Water Valley school boys hockey team was defeated by the Cremona school boys hockey team on Thursday afternoon.

WOMEN'S WORLD DAY OF PRAYER SERVICE

The annual World's Day of Prayer Service will be held on Friday, March 4, at 2:45 p.m. in the Knox United Church, Didsbury. The form of worship prepared for this occasion will be used by Christian women all round the Globe. An inter-denominational committee of the local churches has arranged for this meeting. Mrs. A. E. Ford will preside. Mrs. J.W. Bainbridge will give the address, and ladies of the various denominations will lead in the worship.

SPECIAL OFFER . . .

A hard facing offer for March, to acquaint you with the money-saving possibilities of hard facing on the farm.

All new Shares bought at Spreeman's during March will be hard faced where the most wear comes, at no extra cost to you.

It pays to hard face cultivator shovels, rolling coulters, Seamen tiller fingers, etc., too.

LITTLE ITEMS OF LOCAL INTEREST

Mrs. W.G. Evans, Mrs. Ruth Eckel, Mrs. J.W. Bainbridge and Mrs. Ed Ford spent Friday in Red Deer attending the W.M.S. Prosyterial of the United Church.

"The Triumph of 2, 4, D." a sound picture which was cancelled last week, will now be shown in the Lions Hall on Friday, March 4, at 2:30 p.m., sponsored by the local Green Cross dealer, Harold E. Oke.

Mr. and Mrs. John K'recher and Mr. and Mrs. Frank Good of Calgary visited Sunday at the home of Mr. and Mrs. Ed Kercher.

Mary Wood and Bob Mortimer, who are attending the University of Alberta at Edmonton, spent the week end at their respective homes in Didsbury.

Wava Deadrick returned to Edmonton at the beginning of the week after spending a few days visiting in Didsbury with her parents.

Tony Evans was a Calgary visitor last week, where he attended the Builders' Hardware convention.

A public meeting will be held in the Rugby school on Wednesday, March 2, in the evening, to form a new P.V.A. Local.

Mr. and Mrs. C.A. Cunningham of Calgary visited over the week end with Mr. and Mrs. J.R. Cunningham and other relatives and friends.

Don't forget the Legion dance to be held in the Lone Pine Hall on Friday, March 4. Kieda orchestra will supply the music.

Mr. and Mrs. Henry Walder of Calgary, Mrs. Rex Rossard of Oke and Mrs. Alex Bird of Olds were Sunday visitors at the G. Walder home.

Mr. Emmet Good, who accidentally ran a fork into his thigh, has been convalescing at the home of his cousin, Mrs. Jim Hooper, and is returned to his home Sunday.

W. H. Snyder left last Saturday for New Westminster, B.C., to visit his brother, Alvin, who is quite ill in hospital.

Bill Payne and Joe Freeman attended the official showing of the new Dodge cars in Calgary on Tuesday.

The Anglican service of Morning Prayer will be held at Rugby on Sunday, March 6, at 11 a.m., and Evensong at St. Cyril's, Didsbury, at 3 p.m.

Mr. and Mrs. Ben Dickau of Millerville, accompanied by Mr. and Mrs. Charlie Dickau of Didsbury, returned to Popoka last week end to visit with Sam Dickau who is seriously ill in hospital.

This year we are handling all classes of true license plates C.V., P. and P.S.V. We will start issuing them about March 15—D. N. McDonald, Didsbury. 9-2c

Mrs. Joe Good left Sunday after leaving for a few days with Mrs. J. Hooper in Didsbury.

A Community Auction Sale will be held in Didsbury on Saturday, March 12. List your goods with Budgie Roberts, or Jack Glanther, phone No. 125-48-19, phone 9-2c

Mrs. Ray Lantz has returned to her home in Victoria, B.C., after spending the past six weeks visiting in Didsbury with her sister, Mrs. Parsons.

Mrs. Watkins and daughter of Turner Valley are visiting at the home of Mrs. Watkins' sister, Mrs. H. Lynch-Staunton.

A TIME FOR CARE

Ice and snow provide treacherous footing for a woman expecting a baby, when a fall might be particularly dangerous. To avoid such accidents it is a good idea for the expectant father to do as much of the shopping as he can. As she needs regular exercise, the husband should make it his business to see that his wife gets her walks as safely as possible.

NOTICE

Notice is hereby given that farmers and truckers should have all necessary heavy hauling done before spring break up of roads. No permits will be issued after bans are placed on truck, trailer and tractor traffic.
